## ACRYLIC SERVICES

*Acrylic nails are artificial nails that add enhancements to the natural nail itself. With acrylic nails, you can make your natural nails artificially longer and stronger with liquid (monomer) and powder (polymer). there are many different types of acrylic services, and we offer them all and additional services.*

### Acrylic "Full-set" or "Fill"

*Your normal Acrylic nails. Standard shape is square. (Cuticle trims are not included)*

- |    |                                 |      |
|----|---------------------------------|------|
| 1. | Acrylic Full-set w/ GEL POLISH* | \$56 |
| 2. | Acrylic Full-set w/ REG. POLISH | \$50 |
| 3. | Acrylic Fill w/ GEL POLISH*     | \$46 |
| 4. | Acrylic Fill w/ REG. POLISH     | \$40 |

### Dipping Powder or "DIP"

*Dipping powder is an acrylic powder with the color infused in the powder. It is similar to normal acrylics and shares similar chemical properties but requires different application technique. if you're looking for durability and strength dip is recommended. DIP CANNOT BE FILLED. Standard shape is square (Cuticle trims are not included)*

- |    |  |      |
|----|--|------|
| 1. | DIP OVERLAY (NO EXTENSIONS) *            | \$51 |
| 2. | DIP Full-set (W/ EXTENSIONS)             | \$61 |
| 3. | DIP CLEAR POWDER W/ GEL POLISH*          | \$61 |
| 4. | DIP OVERLAY + Manicure (NO EXTENSIONS) * | \$71 |

### Liquid Builder Gel

*Liquid builder gel is a new form of acrylics that does everything acrylics or dip does but is stronger, thinner, safer, and more flexible. It is recommended by many beauty companies such as L'Oreal. Standard shape is square. (Cuticle trims are not included)*

- |    |  |      |
|----|--|------|
| 1. | BUILDER GEL OVERLAY (NO EXTENSIONS) *      | \$56 |
| 2. | BUILDER GEL FULLSET (W/ EXTENSIONS)        | \$66 |
| 3. | BUILDER GEL FILL                           | \$46 |
| 4. | B-GEL OVERLAY + Manicure (NO EXTENSIONS) * | \$81 |

### Gel X

*Like liquid builder gel, this is a new acrylic technique with the nail already pre-shaped and is longer lasting than press-on nails. This technique is more natural and has less chemicals and is lighter on your nails. This can be filled with builder gel/hard gel. Shapes can be anything.*

- |    |                          |      |
|----|--------------------------|------|
| 1. | Gel-X FULLSET            | \$61 |
| 2. | Gel-X FULLSET + Manicure | \$81 |

### Facials

**Mini Facial** **\$56**

*A quick yet long facial spa that cleanses and exfoliates the face. This facial spa includes cleansing, exfoliating, face and neck massage, face mask, toner, and moisturizer. (40min)*

**Full Facial** **\$76**

*The full facial is rejuvenating, unlike the mini facial, this facial takes a longer process and requires higher end products that will penetrate and cleanse the face. Not only does this facial do a better job, but it is great for exfoliation as well. Using an aloe-vera and rice-based solution with high frequency vibration, it will cool and sooth the face leaving a younger and brighter skin. This service includes cleansing, exfoliation, face, and neck massage, aloe-vera and rice-based face mask, toner and moisturizer, and high frequency facial massager. (60min)*

## **Store Policy**

### **Complimentary Fixes:**

As a small local business, it is always our goal to do our best to make sure you are happy with the services we provide for you; however, we understand sometimes we may not always meet your expectations, but we promise you we are trying our best. We are always trying to improve.

\*We also understand that you have a life to live and sometimes you may chip or break your nails, so we guarantee you within 10-days, after your service, and we will get your nails fixed for you.

\*Complimentary fixes only apply to those who do GEL POLISH SERVICES or any of our ACRYLIC SERVICES.

\*Please bring your receipt with you for the complimentary fix!

### **State-Regulations & Infections:**

\*According to the State of Colorado Regulations, ALL NAIL-SALONS are only required by law to soak and sanitize the tools in BARBICIDE "Blue-Solution" for 10 minutes.

At our store, we soak all our tools in barbicide for the recommended time, but we also take a step further and sterilize our tools in a UV SANITATION OVEN to further sterilize our tools to keep you and our staff safe.

\*Any infections prior to or after the visit, we are not liable for any medical bills. Unfortunately, we have no control what you do before or after your visit, so we are not liable for any infections that may happen to you. We follow and abide Colorado State-Regulations and do our best to keep you and our staff safe. We can help remove ingrown, but we are not liable for any infections afterwards.

### **Refund Policy & Right to Refuse:**

Our store has a NO-REFUNDS policy, because we sell a service. We understand that sometimes you may not like our services, but we guarantee you to fix any mistakes or redo your nails if you don't like it. We are a small local business, and supplies are getting expensive, so we hope you understand.

\*There are no-refunds. However, if you did not like a service, please let us know at the front desk or give us a call after your service so that we can further help you to make sure you are happy during your next visit.

\*We also reserve the rights to refuse service under any conditions and circumstances.
